

Updating Your Emergency Point Of Contact (POC) Information

It is important to keep your Emergency Point of Contact (POC) information updated in HR Links. Changes you make in HR Links will update other GSA systems, including the GSA Credential and Identity Management System (GCIMS), and will be used to contact those you designate in case of an emergency. Follow the instructions below to update this information in HR Links.

1. From the HR Links homepage, select the **Employee Personal Info** Tile; **View/Update Personal Info** link.

2. From the **Personal Information** page, select the plus sign next to **Emergency Contacts** to view, add, change or delete any emergency contacts.

3. If you do not have any Emergency Contacts, select the **Add Contact** button.

 **Emergency Contacts**

Any information an employee provides is voluntary and may be visible to agency personnel who need to contact the employee or those the employee designates in case of an emergency. This may include HR staff, the employee's supervisor and/or manager, and emergency management personnel.

Updates to your emergency contacts flow nightly to [GCIMS](#). If your contact information is correct in HR Links but does not appear correctly in GCIMS the next business day, contact the GCIMS help desk at hspd12.security@gsa.gov. In your email, indicate that you have already updated your emergency contact information in HR Links.
