Printing Purchasing & Budget Reports

Standard reports can be viewed online or routed to a printer. Standard GSA procurement forms, Organizational Status Reports and Fund Status L reports can be printed using the **Print** button, found on the Pegasys transaction, or via the Pegasys **Reports** menu. The forms will contain information that has been entered online in Pegasys.

- Fields with red asterisks (*) are mandatory for Pegasys processes but may not include all fields required by GSA policy.
- Form mappings of fields for standard GSA forms can be found in the Form Mappings Appendix of the Purchasing User Guide.
- For detailed information on reports, refer to the Reports chapter of the Purchasing User Guide.

How to Print a Purchasing Report
